(See page 2 for written directions)

DURBIN BENNETT PETERSON

100 Congress Avenue
Suite 1600
Austin, TX 78701
512.439.4800

For those traveling Southbound on Interstate 35:

Exit Interstate 35 at Riverside Drive exit #233. Turn right onto Riverside Drive and head westbound. Travel along Riverside Drive approximately 1.1 miles until you reach South First Street. Turn right onto South First Street and go over the Town Lake Bridge. Move to the left lane. After crossing over the bridge, all of the traffic must veer right and merge into Cesar Chavez, a one-way street. As you merge into Cesar Chavez Street, move toward the left lane as soon as possible. The very first street on the left is Colorado Street, which is only one block from the bridge. At the corner of Colorado and First Street/Cesar Chavez, you will notice our parking lot. As soon as you pass Colorado Street, immediately turn left into our parking lot. There is a small sign that says "Visitor's Parking" and there is a First American Bank adjacent to the visitors parking lot. (Also note that this visitor's parking lot is not the underground parking for the building, which is the next entrance.) As you enter the visitor's parking lot, take a ticket and bring it with you. We will validate it for you.

For those traveling Northbound on Interstate 35:

Exit Interstate 35 at Riverside Drive exit #233. The exit ramp ends with a traffic light at the corner of Riverside Drive and the frontage road. Turn left at the end of the exit ramp and drive westbound on Riverside Drive. Travel along Riverside Drive approximately 1.1 miles until you reach South First Street. Turn right onto South First Street and go over the Town Lake Bridge. Move to the left lane. After crossing over the bridge, all of the traffic must veer right and merge into Cesar Chavez, a one-way street. As you merge into Cesar Chavez Street, move toward the left lane as soon as possible. The very first street on the left is Colorado Street, which is only one block from the bridge. At the corner of Colorado and First Street/Cesar Chavez, you will notice our parking lot. As soon as you pass Colorado Street, immediately turn left into our parking lot. There is a small sign that says "Visitor's Parking" and there is a First American Bank adjacent to the visitors parking lot. (Also note that this visitor's parking lot is not the underground parking for the building, which is the next entrance.) As you enter the visitor's parking lot, take a ticket and bring it with you. We will validate it for you.

For those traveling Southbound on Mopac (Loop 1):

Exit Mopac/Loop 1 at the First Street/Fifth Street exit. Keep right at the fork on the ramp and follow the signs to First Street, which is also known as Cesar Chavez. Travel along First Street approximately 1.2 miles until you pass Lavaca Street on your left. The next street after Lavaca is Colorado Street, which may or may not have a street sign. If you are in the left lane, you will be forced to turn onto Colorado Street. As soon as you pass Colorado Street you will notice our parking lot at the corner of First Street/Cesar Chavez and Colorado. Immediately turn into our parking lot just as you pass Colorado Street. There is a small sign that says "Visitor's Parking" and there is a First American Bank adjacent to the visitors parking lot. (This visitor's parking lot is not the underground parking for the building, which is the next entrance.) As you enter the visitor's parking lot, take a ticket and bring it with you. We will validate it for you.

For those traveling Northbound on Mopac (Loop 1):

Exit Mopac/Loop 1 at the Lake Austin Blvd/First Street/Fifth Street exit. Keep right at the fork on the ramp and follow the signs to First Street, which is also known as Cesar Chavez. Travel along First Street approximately 1.2 miles until you pass Lavaca Street on your left. If you are in the left lane, you will be forced to turn onto Colorado Street. The next street after Lavaca is Colorado Street, which may or may not have a street sign. As soon as you pass Colorado Street you will notice our parking lot at the corner of First Street/Cesar Chavez and Colorado. Immediately turn into our parking lot just as you pass Colorado Street. There is a small sign that says "Visitor's Parking" and there is a First American Bank adjacent to the visitors parking lot. (This visitor's parking lot is not the underground parking for the building, which is the next entrance.) As you enter the visitor's parking lot, take a ticket and bring it with you. We will validate it for you.
